General Information:

Rise 'N Shine Farm is located in the beautiful Northwest Georgia hills on John's Creek 1 hour south of Chattanooga, TN and 1 hour North of Atlanta. Rise 'N Shine is in its fourth year of growing a plethora of certified organic vegetables and plants. Veggies and plants are sold at markets in Atlanta and Chattanooga and through an active 100 member CSA. We operate two small cold frame greenhouses and farm five acres of vegetables. We also have some bees and chickens. We like to work hard while maintaining a balance between work and relaxation. Rise 'N Shine Farm offers numerous outdoor adventure opportunities in the nearby state forest including hiking, biking, canoeing, climbing and fishing.
