Summer Farm Coordinator

About Camp Twin Lakes: For the past 20 years, Camp Twin Lakes has provided life-changing camp experiences to thousands of Georgia's children with serious illnesses, disabilities, and other life challenges. Camp Twin Lakes collaborates with nearly 60 different nonprofit organizations, each serving a different population, to create customized programs that teach campers to overcome obstacles and grow in their confidence and capabilities. Visit www.camptwinlakes.org for more information.

About Camp Twin Lakes Farm (Will-A-WAY)
Our site in Rutledge, GA has an established and growing educational and production farm. In 2015 we are excited to expand our farm programming to our site in Winder, GA; Will-A-Way. The Will-A-Way farm will be entirely educational and grow in two 100’x100’ beds and a collection of raised beds. There will be a small orchard, a pavilion for programming and a minimum amount of animals. The priority at the farm is providing campers with the most fun, creative and inspiring farm experience possible; demonstrating a love for nutritious and tasty food and learning practical ways to conserve and nurture nature. We aim to create an environment where campers can learn more about themselves, others and the earth.

Description of Position
This position will begin in early April and finish in early August. The Summer Farm Coordinator will be responsible for vegetable and fruit production and caring for all areas of the garden. They will work closely with program staff to ensure the farm is prepared and safe to host campers. They will work with guidance from the Farm Coordinator, based in Rutledge, to follow planting and management plans and with the Will-A-Way staff to have the site ready to host summer camp programming.

Responsibilities
- **Growing**: Tractor work, field prep, drip irrigation setup and maintenance, planting, hoeing, pest management, harvesting, washing, packing, cover crop management, record keeping.
- **Site**: Maintain fences, keep pavilion tidy, weed eating, and ensure farm is safe and clean at all times.
- **General Farm Jobs**: Compost management, assisting with camper programs as needed, opportunities to create and oversee new farm projects of the individual’s preference.

Qualifications:
- Experience growing fruits and vegetables (preferably in the Southeast). This would be an excellent opportunity for someone who has vegetable experience to practice farm management skills.
- We are looking for someone who is positive, thoughtful, peaceful, creative, motivated, fun and wants to participate in a community dedicated to serving our campers.
- Preference will be given to candidates who would be available for an on-site interview in Winder, GA.
- Having interest/experience in sharing food and farm with children and youth is a plus, but not a necessity for this position.

Job Details: This position begins in April and ends in August. Dorm style housing is available and most meals will be provided. There will be a bi-weekly stipend.
